

JOB DESCRIPTION

Job Title: Investment Associate Intern
Location: Various – Virtual Based possible

Baker Street Venture Partners LLP (“BSV”) is a fast-growing London-based boutique business consulting and venture capital Investment Company that specializes in cross-border mergers and acquisitions (M&A), capital raising, business consulting, and direct investments. With our deep roots in the Chinese and European Capital Markets and extensive relationships in the Chinese local industries, BSV is able to provide comprehensive business and capital solutions for European businesses to gain access to the massive Chinese markets and is able to execute mandates on behalf of our clients.

We evaluate investment opportunities which are closely relevant to our own investment mandate. We act as the preliminary investment arm for our shareholders and can deploy our own capital to relevant projects.

Currently, we are hiring a full-time or part-time investment associate interns to support our venture investment partners.

Profile:

An exciting and varied position, the Associate will support the Partner on each project. The individual will be highly involved in the project analysis. We are looking for highly motivated and enthusiastic self-starter, who works on own initiative with light supervision. Confident and positive, high-energy, cultured, capable of easily interacting with senior management and passionate about investment research. Flexible and willing to get involved in many different aspects of the business as required.

Duties:

Perform market research to help identify new investment trends and opportunities:

- Conduct research on macro economy, various industries and sectors
- Generate periodical investment and market research reports
- Deal screening: Research for new prospects (theme led), call and/or meet with prospects, evaluate opportunities

Perform specific investment/consulting project document preparation:

- Assist and support on drafting investment memorandum and setting up project data room
- Perform valuation analysis via modelling

Other responsibilities

- Documentation: summarize call notes and produce memos
- Manage the weekly team prospect meeting schedule
- Assist with preparation of materials for industry partner meetings
- Prepare regular meeting materials

Candidate Requirements:

- Bachelor's/Master's Degree in Economic, Finance, Accounting or Statistics from top universities; preferably MBA or Masters from a top business school
- 1-2 years of investment or consulting experience (Consulting, VC/PE, investment banking, private equity)
- Outstanding analytical and writing skills, detail-oriented, proactive and self-motivated
- Strong knowledge of Microsoft Suite (Word, Excel, PowerPoint etc)
- Experience with cash flow modeling and investment valuation techniques
- Ability to produce well designed professional looking PowerPoint presentations
- Strong written and verbal communication skills
- Language requirement: fluent in both English and Mandarin (ideally in both writing and speaking), other language skill is a plus

Benefits: Compensation:

- Competitive

Application Details:

- Applications are evaluated on a rolling basis
- Internship is a full-time/part-time position for 3 months with the potential to extend
- Please email your resume to hr@bsvpartners.co.uk
